Education

Feroze Gandhi Institute of Engineering and Technology, Raebareli, UP, India **Aug 2019 - Jun 2023**

- Bachelor of Technology (B.Tech), Computer Science and Engineering

Sanatan Dharm Inter College, Orai Jalaun, UP, India **Apr 2017 - Jun 2018**

- UP Board (Class XII)

Pt. Deendayal Inter College, Chikasi, Hamirpur, UP, India **Apr 2015 - Jun 2016**

- UP Board (Class X)

Programming Skills

-
- **Languages :** C# , C++ , Javascript, SQL, HTML, CSS
 - **CS Fundamentals:** Data Structures and Algorithms, Object Oriented Programming, Database Management Systems, Operating Systems, Computer Networks
 - **Technologies:** Web API, MVC, .Net core , SQL Server

Work Experience

-
- **Suntek Axxpress India Pvt Ltd - [Website](#) Software Developer** **09/2023 - Present**
 - Developed and maintained ASP.NET Core Web API applications.
 - Designed and implemented controllers, optimized business logic layers, and created efficient data models using Dapper.
 - Integrated JSON Web Token (JWT) authentication for enhanced security.
 - Collaborated with cross-functional teams to ensure seamless communication between systems.
 - Delivered high-quality solutions while staying current with industry trends.
 - **CETPA InfoTech Pvt Ltd - [Website](#) Intern** **06/2023 - 08/2023**
 - Enhanced and maintained web applications using the .NET Core framework.
 - Specialized in .NET Core and proficient database management.
 - Optimized application performance and scalability through effective coding practices.
 - Collaborated with seasoned developers to understand project intricacies and deploy impactful solutions.

Projects

Enterprise Resource Planning (ERP) System **09/2023 - Present**

- Developed a comprehensive ERP software to manage business operations efficiently, integrating various functions such as planning, operations, marketing, finance, and human resources.
- Streamlined processes, improved collaboration, and enhanced decision-making and efficiency for businesses.
- **Technologies Used:** C#, Model-View-Controller (MVC), SQL Server, Dependency Injection (DI), .NET Core

Academic and Extracurricular Achievements

-
- Secured a top position in the college coding competition CodeKaze, demonstrating exceptional programming skills.
 - Achieved 3rd place in a coding challenge organized by **Coding Ninja**.
 - Actively participated in coding challenges such as **April Long Challenge**, achieving a global rank of 23.
 - Solved over 150 Data Structures and Algorithms problems on various platforms like LeetCode, GeeksforGeeks, and Pepcoding.
